

HOMOSEXUAL ACTIVISM OVERVIEW

Efforts to normalize homosexual behavior represent one of the greatest current threats to family values. This chart shows how advocates of homosexual behavior are striving to reach their goals. The left side shows their strategies. The right side shows the intended results of their actions.

What is the Alliance Defense Fund?

The Alliance Defense Fund is America's largest public interest religious liberty legal alliance. ADF was founded in 1994 by more than 30 evangelical Christian ministry leaders, including Dr. Bill Bright (Campus Crusade for Christ), Larry Burkett (Crown Financial Ministries), Dr. James Dobson (Focus on the Family), Dr. D. James Kennedy (Coral Ridge Ministries), and Marlin Maddoux (International Christian Media).

Our Mission

Under the leadership of President Alan Sears, the Alliance Defense Fund is a servant organization that provides resources that will keep the door open for the spread of the Gospel and reclaim America's legal system for Christ, through the legal defense and advocacy of religious freedom, sanctity of life, and traditional family values.
